ORDER:-

In his letter read above, the ENC (R&B) SR, Hyderabad has stated that the Maheswaram gate to Thimmapur is an important recently taken over Z.P. road radiating from Hyderabad - Srisailem Road and connecting other end with Shamshabad- Kollapadakala road. This road is an important connectivity which was marked in the International Airport Connectivity roads. It is very near to International Airport at Shamshabad. The existing intermediate bituminous road is damaged badly sunken also edges are cut and leaving the carriage way edges reduced and the berms are not sufficient also. The existing CD works are damaged which requires reconstruction. The traffic intensity on this road is 2015 PCUS per day. All these are creating problems to the road user and the existing width is not catering to many folded increased traffic. The road connecting many villages viz Maheswaram Mansanpally, Ameerpet, Tupra Khurd, Nagaram, Gollur and Thimmapur The entire stretch is developed to large extent which are surrounded by many educational Institutions such as Engineering Colleges and PG Colleges etc., in Maheswaram. The road being the connection from State Highway to National Highway the traffic intensity is high and outgoing traffic will divert through this road with out touching the Hyderabad city limits..

2. The Engineer-in-Chief (R&B) SR, Hyderabad has certified that the stage -1 approval is not required as detailed investigation completed and designs are finalized. No land acquisition and shifting of utilities are required for taking up the subject work without interruption in the first two years.
